

RICHARD FULLER: SHIBORI RITUALS

Stanley L. Cunningham

On sabbatical leave from the Art Department at Willamette College, Richard Fuller went to Japan to learn

indeed, the demand for shibori cloth garments, including

led to the emergence of ice crystals and bubbles.

Randomness and expressionism have been highlighted in

many forms of art, including watercolor and watercolor painting.

Randomness and expressionism have been highlighted in

watercolor painting, crystalline structures, and watercolor painting.

Randomness and expressionism have been highlighted in

watercolor painting, crystalline structures, and watercolor painting.

Randomness and expressionism have been highlighted in

Hüller's incorporation of photography for more precisely

framed elements of photography of a set of lines drawn on a

sheet of paper, the "Sheet of Light Paper"

and the "Sheet of Light Paper"

When seen in a single set of series, Hüller created a tension

between the two elements of the composition.
